Feeding bodies, nourishing souls.

KSH

Our Mission:

The King's Storehouse Food Bank is a nondenominational Christian organization which distributes food from a central location to nonprofit organizations who feed the needy of East Texas and surrounding areas. The King's Storehouse helps feed the hungry with the purpose of showing God's love through His Son, Jesus Christ.

About Us:

The King's Storehouse Food Bank is located on the North side of Tyler, close to the old Cotton Belt Depot. We are currently partnered with approximately 25 ministries with the same mission of providing food to those in hunger across all of East Texas. We are a central location for these ministries to come and purchase the food they distribute in their communities.

We have partnered with Walmart for our Summer Food Drive!

It is a constant struggle to keep up with the demands of the pantries we serve so we have partnered with Walmart Spark Goodto make it easy for you to donate much needed items, from Food to Office Supplies to help us keep going.
